Asaabuus Daycare News and Reminders

We are happy to announce that we were successful in yet another proposal grant we have applied for from the First Peoples Cultural Council. We are going to go big with this funding and reach a 4 hr/day, full language immersion program for the fall for our daycare children, pre k and kindergartens as well. We are in partnership with the school and we will all be thankfully working towards this goal as one, with our elders support and knowledge. 🙏 I am proud and grateful for our plans and for the commitment from all the staff in reaching this goal with our full potential. I have faith in our team to make this dream a reality. This extra cultural funding will be for the next 2 years, so I'm hoping to show them something amazing so that we can keep this going after the 2 years is up.

Also, a reminder, please make sure children are picked up before 4:45 so that closing staff can tend to their closing tidy and set up routines. If you know you won't be able to pick up at this time, please arrange an alternate pick up for your child and assure the staff knows who the pick up person will be.

We are running low on clothing to lend out again, so please don't forget to leave a spare set of clothing in children's cubbies to avoid having to run home if a child has a spill or accident during outside time, lunch, art time etc. Boots are also a must these days and please send warm clothing for outside playtime fun. 😊 (If you have clothing to donate for the daycare spares, please let us know and we will gladly pick it up and thank you in advance if you do!)
