

Infrastructure Director

Ditidaht First Nation is a vibrant and culturally rich community committed to preserving our heritage while fostering growth and development. We are dedicated to providing exceptional services and support to our community members.

Position Overview

Ditidaht First Nation is seeking a visionary and experienced Infrastructure Director to lead our Public Works, Housing, Land Code, and Emergency Services programs. As a key member of our leadership team, you will play a pivotal role in shaping the future and sustainability of our community.

Key Responsibilities:

- Develop and execute a comprehensive infrastructure strategy aligned with the community's long-term goals and objectives.
- Direct and oversee the Public Works, Housing, Land Code, and Emergency Services departments, ensuring efficient operations and adherence to regulatory standards.
- Manage and allocate budgets effectively, optimizing resources to enhance service delivery and community development.
- Provide leadership and guidance to departmental teams, fostering a collaborative and supportive work environment.
- Work closely with community members, stakeholders, and government agencies to address infrastructure needs and promote sustainable development.
- Ensure compliance with relevant laws, regulations, and safety standards across all infrastructure-related activities.

Qualifications:

- Relevant education in Engineering, Public Administration, Business Management, or other related field.
- PMP Certification is an asset.
- Proven experience in a senior leadership role overseeing infrastructure programs, preferably within Indigenous communities or related fields.
- Demonstrated ability to develop and implement strategic plans to support community growth and sustainability.
- Strong budgetary and financial management skills to effectively allocate resources and drive operational efficiency.
- Excellent interpersonal and team-building skills to inspire and lead diverse teams toward common goals.
- Understanding and appreciation of Indigenous culture, values, and community needs.

Competitive wage based on experience and qualifications.
