HOUSING DEPARTMENT

Attention: All Homeowners/Tenants

NTC Capital Program Direction

## **Inspection/Assessment Dates for Ditidaht Community – August 20<sup>th</sup> and 21<sup>st</sup>, 2019**

The NTC Directors provided the NTC Capital program direction to develop, and secure funding for a full condition and needs assessment of all the Infrastructure and Housing assets in each of the NTC Nations. NTC Capital program has now secured additional funding to complete these assessments from Indigenous Services Canada (ISC) for each of the 14 First Nations.

NTC Directors are aware that there is an objective within the government of Canada to begin the process of exploring the devolution of Infrastructure and Housing, program and service delivery from Indigenous Service Canada (ISC) to regional or local First Nation government organizations. Further NTC is aware that there is a BC regional body First Nation Housing & Infrastructure Council (FNHIC) that has signed a Memorandum of Understanding with Canada to pursue and assume the authority to deliver Infrastructure and Housing programs and services within the BC Region. NTC has stated clearly to ISC that the NTC FN's formally puts ISC & any other level of government on notice, that we do not endorse or forfeit authority nor budget intended to be targeted to NTC FN's specifically.

By completing these assessments it will provide the NTC First Nations leadership with accurate and appropriate information from which to make decisions regarding Infrastructure and Housing (and associated financial budgets) a detailed assessment of the current conditions and future requirements. The information is also being collected for the Ditidaht's Housing Department and Public Works Department as they are currently using a new computer program called ESRI GIS. This program logs data for each home and buried infrastructure. It also pin points the exact coordinates for its location.

- We would like you to be present for your inspection on August 20<sup>th</sup> and 21<sup>st</sup>
- Ditidaht Staff will attend
- If you are not home, we will assess the exterior of the home

Please note: Ditidaht First Nation Housing Committee is looking for volunteers to participate on Housing Committee – please put in writing or send email to Administration [jhunt@ditidaht.ca](mailto:jhunt@ditidaht.ca)

Thank you have a nice day. If you have any questions or concerns please contact Jeneen Hunt – Administrator 250-745-3333
