My name is Howard Morris, my traditional name is Knee-Kee-Shin. I am from the Ahousaht and Mowachaht/Muchalaht nations. I am the Teechuqth/Quuasa Southern Region Wellness Worker. I am here for any cultural support that may be needed by any member in your nation. I am also available to listen to members who need someone to talk to. I will also look to refer, if needed, to other sources in our Quuasa office or in the community. I am open to helping out in any way I can.
